Problem

- We have lost our ancient universities.
- Lost of most scientific knowledge.
- Lack of interest in vedas and meditation.
- We are getting uprooted from our roots.

Solution → VV

- Digitalizing all the vedic materials .
- The material would easily be faccilated.
- Through websites ,apps ,animations ,text and through AR/VR.
- Meditation would be made easier with the help of new gen technologies.

Market Size

- 80% of Indian population is 5-95 (approx)years old
- Suppose 50% of that use Virtual vishwavidyalya website/app - 500 Million people
- That's our Target Audience

Customer Segments

- children
- School/College Authorities
- Youth enthusiastic.
- Writers
- Old age
